Instructions to Authors

Silpakorn University Science and Technology Journal (SUSTJ) is a peer review journal published twice a year in January and July by the Research and Development Institute of Silpakorn University, Thailand. SUSTJ puts together articles in Science and Technology and aims to promote and distribute peer reviewed articles in the areas of science, health science, animal science, agriculture, engineering, technology and related fields. Articles from local and foreign researchers, invited articles and review from experts are welcome.

Publication Ethics and Publication Malpractice Statement

The Editor must ensure that each manuscript is initially evaluated by the editor/co-editor for the originality of the contents before forwarding to two referees for blind peer review. The review period will be from two weeks to one month (Maximum two months in extra ordinary circumstances).

The Editorial Board evaluates manuscripts on their intellectual content without regard to authors' race, gender, sexual orientation, or citizenship and must not disclose any information about a submitted manuscript to anyone other than the corresponding author, reviewers, potential reviewers, and the publisher.

Reviews should be conducted objectively without personal criticism.

Reviewers should express their views clearly with supporting arguments, identify relevant published work that has not been cited by the authors, and report any similarity or overlap between the manuscript under consideration and other published papers to the editor's attention. Reviewers should not review manuscripts in which they have conflicts of interest resulting from competitive, collaborative, or other relationships or connections with any of the authors, companies, or institutions connected to the papers.

The authors should ensure that they have written entirely original works, and has been appropriately cited or quoted the work of others.

Manuscripts submitted must not have been published as copyrighted material elsewhere. Manuscripts under review must also not be submitted for consideration by other publication as copyrighted material. This should be declared in the Submission Form. By submitting a manuscript and a Submission Form, the author(s) agree that the copyright will be transferred to SUSTJ if the manuscript and associated multimedia are accepted for publication. The author(s) retain the rights to the fair use (e.g., teaching and non-profit uses) of the published material.

Types of contributions

Short communications, Research articles, Review articles

Preparation of manuscripts

1. The text should be double-spaced with line number on A4 and a font Times New Roman size 11 should be used. When using MS Word, insert all symbols by selecting “Insert-Symbol” from the menu and use the “Symbol” font.

2. Manuscripts should be organized in the following order:

Cover page with title and authors’ names and affiliations

Abstract

Key Words

Introduction

Materials and Methods, Area Descriptions, Techniques

Results

Discussion

Conclusion

Acknowledgements

References

Tables and Figures

Authors’ names and affiliations

Full names and affiliations (marked with superscript number) should be provided for all authors on the cover page, separately from the content. The corresponding author (marked with superscript asterisk) should also provide a full postal address, telephone and fax number and an e-mail address as a footnote on the title page.

Abstract

First page of the content starts with Abstract, including title of the article on top of page. Provide a short abstract not more than 200 words, summarizing the question being addressed and the findings.

Key Words

Provide 3-5 key words or short phrases in alphabetical order, suitable for indexing.

References

In text references: Refer to the author’s name (without initials) and year of publication, e.g., Feldmann, 2004 (for 1 author), Feldmann and Langer, 2004 (for 2 authors), or Feldmann et al., 2004 (for more than 2 authors).

Article references: References should be listed in alphabetical order of author(s). For journal, list all names of authors.

Tables and Figures

Each Table and Figure must be on a separate page of the manuscript.

Tables: Number the tables according to their sequence in the text. The text should include references to all tables. Vertical lines should not be used to separate columns. Leave some extra space instead.

Figures: Figures should be of high quality (not less than 300 dpi JPEG or TIFF format), in black and white only, with the same size as the author would like them to appear in press. Choose the size of symbols and lettering so that the figures can be reduced to fit on a page or in a column.

Submission of Manuscripts

All information contained in a manuscript is a full responsibility of the authors, including the accuracy of the data and resulting conclusion.

The editorial office will acknowledge receipt of the manuscript within 2 weeks of submission. The 'accepted date' that appears in the published article will be the date when the managing editor receives the fully revised version of the manuscript. The manuscript may be returned to authors for revision. Authors will be given 2 weeks after receipt of the reviewers' comments to revise the manuscript.

Please submit the manuscript with a submission form online at <http://www.tci-thaijo.org/index.php/sustj> or contact the managing editor at journals.surdi@gmail.com

Proofs

Proofs will be sent to the corresponding author by e-mail (as PDF file) or regular mail. Author is requested to check the proofs and return any corrections within 2 weeks.
